## **Technical data sheet**

## PRO Clean Heat pump & Air Conditioning Cleaner

### **Functionality**

Product for deep cleaning of outdoor heat pump and air conditioning units (grill, condenser, propeller, etc.). Can also be used for cleaning Controlled Mechanical Ventilation systems (single flow).

- Ready for use, without rinsing.
- Food contact.
- Non acid

### **Labels and Accreditations**

Formulated from raw materials authorised for contact with food in compliance with the ministerial order of 8/9/99 governing procedures and products for cleaning objects and materials coming into contact with foodstuffs, products and drinks for human and animal consumption, in addition to the AFSSA notice of 2/8/07

#### **Technical Characteristics**

Specifications	Characteristics
Appearance	Liquid
Colour	Transparent
Scent	Fresh
Density at 20°C	1
pH at 20°C	11
Efficiancy	On greases for professional and food use, tar, pollution particles, dust and other dirt.
Compatability	With most surfaces (carry out a preliminary test)

# Technical data sheet

#### **Application**

#### Preparation

- Shut down the system.
- Isolate the electrical circuits in the unit.

#### Use

- Spray the product evenly 5cm away from the parts to be cleaned, starting at the top and working downwards
- Check that the surfaces are completely covered in the product
- Leave to take effect for 3 minutes
- Wipe with a cloth to remove the dirt removed
- For very dirty apparatus, it may be necessary to repeat the application

#### Storage

Store at a temperature of between +5°C and +35°C. The expiry date on the packaging is for unopened product, stored at 20°C in normal hygrometry conditions

#### **Safety Precautions**

The Material Safety Data Sheet is available on the Internet on www.fermit.com

The information contained on the technical datasheet is provided in all good faith and results from measurements made in our laboratory. Given the number of materials, differences in quality and diversity of working methods, we recommend that users perform tests prior to application under actual conditions of use. This document may be amended in keeping with product development and the state of our knowledge without prior notice and therefore it is recommended to check that you have the latest version before use. The safety data sheet is available online at <u>www.fermit.com</u>
